## POELLATH advises CommerzVentures on financing round in Carbmee

**Carbmee GmbH (“Carbmee”) has successfully closed a EUR 20 million Series A financing round.**

The Series A financing round has been led by CommerzVentures and included Fly Ventures and leading industry experts.

Carbmee is a leading company for AI-based CO2 management software. The company has been founded in 2021 with the goal to support emission intense industries in making visible their emissions and taking measures for their reduction where it matters most. Carbmee already has acquired international customers such as Lufthansa Technik, Maersk, Kärcher, Hilti, Miele, Coca-Cola, Schaeffler and Anglo American.

Already in the past, Carbmee has been supported on their journey by more than 15 top-class business angels, amongst them leading experts and industry thought leaders such as Noah Eisner (co-founder of Coupa), Gisbert Rühl (CEO of Klöckner & Co.), Dirk Hoke (CEO of Volocopter), Mike Corbo (former Chief Supply Chain Officer at Colgate-Palmolive), Pat McCarthy (VP Workspace & Gemini at Google), Marcel Vollmer (former CIO of Celonis) and Ulrich Piepel (former CPO at RWE AG and innogy SE).

Commerzbank AG is investor in CommerzVentures. The renowned fintech investor invests in start-ups in the FinTech and InsurTech sectors in Europe, Israel and the USA.

POELLATH provided comprehensive legal advice to CommerzVentures with the following team:

- Dr. Michael Inhester (partner, lead, venture capital, Munich)
- Dr. Leonid Guggenberger (associate, co-lead, venture capital, Munich)
